"No man ever yet hated his own flesh; but nourishes and cherishes it, even as the Lord cherishes the Church: For we are members of His body, of His flesh, and of His bones. For this cause shall a man leave his father and mother, and shall be joined unto his wife, and they two shall be one flesh. This is a great mystery: but I speak concerning Christ and the Church."

INTRODUCTION TO THE DEVOUT LIFE

BY ST. FRANCIS DE SALES

PART I. COUNSELS AND PRACTICES SUITABLE FOR THE SOUL'S GUIDANCE FROM THE FIRST ASPIRATION AFTER A DEVOUT LIFE TO THE POINT WHEN IT ATTAINS A CONFIRMED RESOLUTION TO FOLLOW THE SAME.

-----[Or read here: link.](#)

CHAPTER I. WHAT TRUE DEVOTION IS.

In short, devotion is simply a spiritual activity and liveliness by means of which Divine Love works in us, and causes us to work briskly and lovingly; and just as charity leads us to a general practice of all God's Commandments, so devotion leads us to practice them readily and diligently. And therefore we cannot call him who neglects to observe all God's Commandments either good or devout, because in order to be good, a man must be filled with love, and to be devout, he must further be very ready and apt to perform the deeds of love. And forasmuch as devotion consists in a high degree of real love, it not only makes us ready, active, and diligent in following all God's Commands, but it also excites us to be ready and loving in performing as many good works as possible, even such as are not enjoined upon us, but are only matters of counsel or inspiration.

Even as a man just recovering from illness, walks only so far as he is obliged to go, with a slow and weary step, so the converted sinner journeys along as far as God commands him but slowly and wearily, until he attains a true spirit of devotion, and then, like a sound man, he not only gets along, but he runs and leaps in the way of God's Commands, and hastens gladly along the paths of heavenly counsels and inspirations. The difference between love and devotion is just that which exists between fire and flame;—love being a spiritual fire which becomes devotion when it is fanned into a flame;—and what devotion adds to the fire of love is that flame which makes it eager, energetic and diligent, not merely in obeying God's Commandments, but in fulfilling His Divine Counsels and inspirations.

CHAPTER II. THE NATURE AND EXCELLENCE OF DEVOTION.

THOSE who sought to discourage the Israelites from going up to the Promised Land, told them that it was "a land which eateth up the inhabitants thereof;" that is, that the climate was so unhealthy that the inhabitants could not live long, and that the people thereof were "men of a great stature," who looked upon the new-comers as mere locusts to be devoured. It is just so, my daughter, that the world runs down true devotion, painting devout people with gloomy, melancholy aspect, and affirming that religion makes them dismal and unpleasant. But even as Joshua and Caleb protested that not only was the Promised Land a fair and pleasant country, but that the Israelites would take an easy and peaceful possession thereof, so the Holy Spirit tells us through His Saints, and our Lord has told us with His Own Lips, that a devout life is very sweet, very happy and very loveable.

GRIEF SUPPORT DURING COVID-19

As we continue to see how our lives are ever changing due to the COVID-19 pandemic, we are realizing the wide reaching impact it has had on every part of our lives. The Diocese of Saginaw has recognized the need to enhance our grief support to those who have suffered the death of a loved one during this time of crisis, whether the death was caused by the virus or by any other means. Compassionate Companions Ministry, which was developed by the Office of Respect Life, is in response to these difficult and challenging times. This ministry offers a loving and a listening presence to the families of those that have recently died, through phone calls, emails and eventually in person visits. **If you or a loved one is in need of someone to talk to we invite you to call, Lori Becker at 989.797.6652 or email at lbecker@dioceseofsaginaw.org.** In addition, if you are interested in participating in this ministry to provide support to those in need in your parish community, please call Lori at the number above for more information.

Letter From Bishop Gruss Related to the Resumption of Masses

May 19, 2020

My Dear Brothers and Sisters in Christ,

Happy Easter! We continue to rejoice in the resurrection of Jesus in these remaining days of the Easter season. The seasons of Lent and Easter have been like no other that we have experienced. These past two months have been very challenging times. This pandemic and the requirements for social distancing has reshaped society. There will be no return to the “old” normal. A “new” normal will immerge from this historic moment in history and in our Church.

There is no question that there is a real hunger and desire for the Faithful to return to the sacramental life of the Church. I write to you to share some good news and some words of caution as we move toward the reopening of our Churches.

As we know, the State of Michigan is allowing for the gradual opening of some businesses and activities as the number of coronavirus cases and deaths from it continue to decrease. We believe that the spiritual life of people is an essential element to life, and therefore, it is time to begin to gradually open this part of society for the communal celebration of the Holy Eucharist.

It is our plan to begin offering public Mass on Monday, May 25, 2020 in parishes that are prepared to do so. There will be the need to follow strict directives in order to diminish the possibility of a “second wave” of the coronavirus. The cooperation of everyone will be required to ensure the continued health and safety of everyone in our communities. The leadership of each parish must determine if the proper protocols and procedures are in place and are able to be carried out before a parish can resume public worship. These protocols and guidelines will require strict adherence for all public liturgies, including weddings, funerals and baptisms.

When you return to the celebration of the Eucharist, you will see things done differently, and things will feel different than when you last attended two months ago. It is imperative for all of us – pastors, parish life directors, parish staff, volunteers, and all the faithful – to work together during these times. We all know that this pandemic is not over, and therefore, each of us must do our part to help ensure the health and safety of everyone in our communities.

These liturgical Guidelines and Protocols are based upon current guidance issued by the World Health Organization (WHO) and U.S. Centers for Disease Control and Prevention (CDC) and other public health authorities. These guidelines also integrate the requirements of the Catholic Church teaching, liturgical law, and Canon law. These have been formulated with great care to preserve the respect and reverence due to the Holy Eucharist and the powerful liturgical sacramental symbolism of the rites of the Mass. For more information about these directives, [click here](#).

It is very important to remember that this coronavirus does not discriminate, and no gathering of the People of God is immune to this indiscriminate evil. As we gather back for the celebration of the Eucharist, we must take every precaution, be patient with one another, and continue to make sacrifices for the greater good of all.

In the meantime, we continue to live the joy of the Resurrection. As I wrote in my Easter letter, the resurrection is not just a happy ending to a story. “It is the promise of love which helps us pass this difficult road. This comforts us and gives us strength.”

Let us continue to be pray for the end of this pandemic, for those on the frontlines putting their lives on the line serving the needs of the sick, for those who have contracted this virus and for those who have lost their lives from it.

As you remain very present in my heart and prayers, I look forward to that day, coming soon, when we can literally gather around the altar of the Lord. Until then, may Our Mother, Mary of the Assumption, enfold us in her mantle of love and mercy.

Sincerely in the peace and joy of Christ,

Most Rev. Robert D. Gruss
Bishop of Saginaw

Diocese of Saginaw to resume public Masses on May 30; obligation to attend Mass lifted until Aug. 30

SAGINAW — Public Masses will resume for all parishes in the Dioceses of Saginaw on Saturday, May 30, but individual pastors may, at their discretion, begin celebrating Mass publicly as early as Monday, May 25, according to [new directives issued by Bishop Robert D. Gruss](#).

As public Masses resume, Bishop Gruss says strict social distancing and safety guidelines must be in place in order to open for services.

“When you return to the celebration of the Eucharist, you will see things done differently, and things will feel different than when you last attended two months ago,” Bishop Gruss shared in [a letter to the Faithful](#). “It is imperative for all of us – pastors, parish life directors, parish staff, volunteers, and all the faithful – to work together during these times. We all know that this pandemic is not over, and therefore, each of us must do our part to help ensure the health and safety of everyone in our communities.”

Hunger and Desire Among the Faithful

Acknowledging a hunger and desire among the Faithful to return to the sacramental life of the Church, Bishop Gruss expressed the need to continue practicing social distancing and rigorous sanitation.

“These past two months have been very challenging times,” Bishop Gruss said. “This pandemic and the requirements for social distancing has reshaped society. There will be no return to the ‘old’ normal. A ‘new’ normal will emerge from this historic moment in history and in our Church.”

Directives | All of the faithful over the age of 2 will be required to wear face coverings to Mass, keep at least six feet apart at all times when inside a parish church or on parish grounds (excluding those of the same household) and capacity inside churches may not exceed 20- 25 percent, according to [the directives issued on May 19](#). The 25 percent figure follows state guidelines for other types of buildings, such as retail stores.

The bishop also announced that the Sunday obligation — the moral and canonical precept that requires weekly Mass attendance — would continue to be suspended for all of the faithful until at least Sunday, Aug. 30. Parishes are encouraged to continue offering Masses via live stream.

Gradual Reopening | This gradual reopening of churches for the celebration of the Holy Eucharist comes several months after the diocese suspended public liturgies in order to help stem the spread of COVID-19 virus.

As we see the State of Michigan allow for the gradual reopening of some businesses, as the number of coronavirus cases and deaths from it continue to decrease, the Church is making preparations as well.

An Essential Element to Life | “We believe that the spiritual life of people is an essential element to life, and therefore, it is time to begin to gradually open this part of society for the communal celebration of the Holy Eucharist,” Bishop Gruss said.

The directives offer suggestions about how to keep Mass attendance at 20-25 percent capacity, including scheduling Masses with greater frequency, allowing attendance on a first-come first-served, a rotation based on the first letter of last names or an online ticketing system. Additionally, as the weather gets warmer, outdoor Masses are encouraged as a way to maintain social distancing.

Current Guidance | “These liturgical Guidelines and Protocols are based upon current guidance issued by the World Health Organization (WHO) and [U.S. Centers for Disease Control and Prevention \(CDC\)](#) and other public health authorities,” Bishop Gruss said. “They also integrate the requirements of the Catholic Church teaching, liturgical law, and Canon law. These have been formulated with great care to preserve the respect and reverence due to the Holy Eucharist and the powerful liturgical sacramental symbolism of the rites of the Mass.”

Baptisms, weddings and funerals also may resume without individual permission, in keeping with social distancing rules. Non-liturgical gatherings on parish grounds should continue to be suspended, although pastors may grant special permission to groups of less than 10 people.

Prayers | “Let us continue to pray for the end of this pandemic, for those on the frontlines putting their lives on the line serving the needs of the sick, for those who have contracted this virus and for those who have lost their lives from it,” Bishop Gruss said.

“As we gather back for the celebration of the Eucharist, we must take every precaution, be patient with one another, and continue to make sacrifices for the greater good of all.

“In the meantime, we continue to live the joy of the Resurrection. As I wrote in my Easter letter, the resurrection is not just a happy ending to a story. It is the promise of love which helps us pass this difficult road. This comforts us and gives us strength.”
