*"And as he sowed, some seed fell on the path, and birds came and ate it up. Some fell on rocky ground, where it had little soil... Some seed fell among thorns, and the thorns grew up and choked it. But some seed fell on rich soil, and produced fruit, a hundred or sixty or thirtyfold." – Matthew 13: 4-8*

**INTRODUCTION TO THE DEVOUT LIFE**  
 BY ST. FRANCIS DE SALES

-----[Or read here: link.](#)

**CHAPTER II. THE NATURE AND EXCELLENCE OF DEVOTION. (CONTINUED)**

The world, looking on, sees that devout persons fast, watch and pray, endure injury patiently, minister to the sick and poor, restrain their temper, check and subdue

their passions, deny themselves in all sensual indulgence, and do many other things which in themselves are hard and difficult. But the world sees nothing of that inward, heartfelt devotion which makes all these actions pleasant and easy. Watch a bee hovering over the mountain thyme;—the juices it gathers are bitter, but the bee turns them all to honey,—and so tells the worldling, that though the devout soul finds bitter herbs along its path of devotion, they are all turned to sweetness and pleasantness as it treads;—and the martyrs have counted fire, sword, and rack but as perfumed flowers by reason of their devotion. And if devotion can sweeten such cruel torments, and even death itself, how much more will it give a charm to ordinary good deeds? We sweeten unripe fruit with sugar, and it is useful in correcting the crudity even of that which is good. So devotion is the real spiritual sweetness which takes away all bitterness from mortifications; and prevents consolations from disagreeing with the soul: it cures the poor of sadness, and the rich of presumption; it keeps the oppressed from feeling desolate, and the prosperous from insolence; it averts sadness from the lonely, and dissipation from social life; it is as warmth in winter and refreshing dew in summer; it knows how to abound and how to suffer want; how to profit alike by honour and contempt; it accepts gladness and sadness with an even mind, and fills men's hearts with a wondrous sweetness.

Ponder Jacob's ladder:—it is a true picture of the devout life; the two poles which support the steps are types of prayer which seeks the love of God, and the Sacraments which confer that love; while the steps themselves are simply the degrees of love by which we go on from virtue to virtue, either descending by good deeds on behalf of our neighbour or ascending by contemplation to a loving union with God. Consider, too, who they are who trod this ladder; men with angels' hearts, or angels with human forms. They are not youthful, but they seem to be so by reason of their vigour and spiritual activity. They have wings wherewith to fly, and attain to God in holy prayer, but they have likewise feet wherewith to tread in human paths by a holy gracious intercourse with men; their faces are bright and beautiful, inasmuch as they accept all things gently and sweetly; their heads and limbs are uncovered, because their thoughts, affections and actions have no motive or object save that of pleasing God; the rest of their bodies is covered with a light shining garment, because while they use the world and the things of this life, they use all such purely and honestly, and no further than is needful for their condition—such are the truly devout. Believe me, dear child, devotion is the sweetest of sweets, the queen of virtues, the perfection of love. If love is the milk of life, devotion is the cream thereof; if it is a fruitful plant, devotion is the blossom; if it

is a precious stone, devotion is its brightness; if it is a precious balm, devotion is its perfume, even that sweet odour which delights men and causes the angels to rejoice.

## Letter From Bishop Gruss Related to the Resumption of Masses

May 19, 2020

My Dear Brothers and Sisters in Christ,

Happy Easter! We continue to rejoice in the resurrection of Jesus in these remaining days of the Easter season. The seasons of Lent and Easter have been like no other that we have experienced. These past two months have been very challenging times. This pandemic and the requirements for social distancing has reshaped society. There will be no return to the “old” normal. A “new” normal will immerge from this historic moment in history and in our Church.

There is no question that there is a real hunger and desire for the Faithful to return to the sacramental life of the Church. I write to you to share some good news and some words of caution as we move toward the reopening of our Churches.

As we know, the State of Michigan is allowing for the gradual opening of some businesses and activities as the number of coronavirus cases and deaths from it continue to decrease. We believe that the spiritual life of people is an essential element to life, and therefore, it is time to begin to gradually open this part of society for the communal celebration of the Holy Eucharist.

It is our plan to begin offering public Mass on Monday, May 25, 2020 in parishes that are prepared to do so. There will be the need to follow strict directives in order to diminish the possibility of a “second wave” of the coronavirus. The cooperation of everyone will be required to ensure the continued health and safety of everyone in our communities. The leadership of each parish must determine if the proper protocols and procedures are in place and are able to be carried out before a parish can resume public worship. These protocols and guidelines will require strict adherence for all public liturgies, including weddings, funerals and baptisms.

When you return to the celebration of the Eucharist, you will see things done differently, and things will feel different than when you last attended two months ago. It is imperative for all of us – pastors, parish life directors, parish staff, volunteers, and all the faithful – to work together during these times. We all know that this pandemic is not over, and therefore, each of us must do our part to help ensure the health and safety of everyone in our communities.

These liturgical Guidelines and Protocols are based upon current guidance issued by the World Health Organization (WHO) and U.S. Centers for Disease Control and Prevention (CDC) and other public health authorities. These guidelines also integrate the requirements of the Catholic Church teaching, liturgical law, and Canon law. These have been formulated with great care to preserve the respect and reverence due to the Holy Eucharist and the powerful liturgical sacramental symbolism of the rites of the Mass. For more information about these directives, [click here](#).

It is very important to remember that this coronavirus does not discriminate, and no gathering of the People of God is immune to this indiscriminate evil. As we gather back for the celebration of the Eucharist, we must take every precaution, be patient with one another, and continue to make sacrifices for the greater good of all.

In the meantime, we continue to live the joy of the Resurrection. As I wrote in my Easter letter, the resurrection is not just a happy ending to a story. “It is the promise of love which helps us pass this difficult road. This comforts us and gives us strength.”

Let us continue to be pray for the end of this pandemic, for those on the frontlines putting their lives on the line serving the needs of the sick, for those who have contracted this virus and for those who have lost their lives from it.

As you remain very present in my heart and prayers, I look forward to that day, coming soon, when we can literally gather around the altar of the Lord. Until then, may Our Mother, Mary of the Assumption, enfold us in her mantle of love and mercy.

Sincerely in the peace and joy of Christ,

Most Rev. Robert D. Gruss  
Bishop of Saginaw

## **Diocese of Saginaw to resume public Masses on May 30; obligation to attend Mass lifted until Aug. 30**

**SAGINAW** — Public Masses will resume for all parishes in the Dioceses of Saginaw on Saturday, May 30, but individual pastors may, at their discretion, begin celebrating Mass publicly as early as Monday, May 25, according to [new directives issued by Bishop Robert D. Gruss](#).

As public Masses resume, Bishop Gruss says strict social distancing and safety guidelines must be in place in order to open for services.

“When you return to the celebration of the Eucharist, you will see things done differently, and things will feel different than when you last attended two months ago,” Bishop Gruss shared in [a letter to the Faithful](#). “It is imperative for all of us – pastors, parish life directors, parish staff, volunteers, and all the faithful – to work together during these times. We all know that this pandemic is not over, and therefore, each of us must do our part to help ensure the health and safety of everyone in our communities.”

### **Hunger and Desire Among the Faithful**

Acknowledging a hunger and desire among the Faithful to return to the sacramental life of the Church, Bishop Gruss expressed the need to continue practicing social distancing and rigorous sanitation.

“These past two months have been very challenging times,” Bishop Gruss said. “This pandemic and the requirements for social distancing has reshaped society. There will be no return to the ‘old’ normal. A ‘new’ normal will emerge from this historic moment in history and in our Church.”

**Directives** | All of the faithful over the age of 2 will be required to wear face coverings to Mass, keep at least six feet apart at all times when inside a parish church or on parish grounds (excluding those of the same household) and capacity inside churches may not exceed 20- 25 percent, according to [the directives issued on May 19](#). The 25 percent figure follows state guidelines for other types of buildings, such as retail stores.

The bishop also announced that the Sunday obligation — the moral and canonical precept that requires weekly Mass attendance — would continue to be suspended for all of the faithful until at least Sunday, Aug. 30. Parishes are encouraged to continue offering Masses via live stream.

**Gradual Reopening** | This gradual reopening of churches for the celebration of the Holy Eucharist comes several months after the diocese suspended public liturgies in order to help stem the spread of COVID-19 virus.

As we see the State of Michigan allow for the gradual reopening of some businesses, as the number of coronavirus cases and deaths from it continue to decrease, the Church is making preparations as well.

**An Essential Element to Life** | “We believe that the spiritual life of people is an essential element to life, and therefore, it is time to begin to gradually open this part of society for the communal celebration of the Holy Eucharist,” Bishop Gruss said.

The directives offer suggestions about how to keep Mass attendance at 20-25 percent capacity, including scheduling Masses with greater frequency, allowing attendance on a first-come first-served, a rotation based on the first letter of last names or an online ticketing system. Additionally, as the weather gets warmer, outdoor Masses are encouraged as a way to maintain social distancing.

**Current Guidance** | “These liturgical Guidelines and Protocols are based upon current guidance issued by the World Health Organization (WHO) and [U.S. Centers for Disease Control and Prevention \(CDC\)](#) and other public health authorities,” Bishop Gruss said. “They also integrate the requirements of the Catholic Church teaching, liturgical law, and Canon law. These have been formulated with great care to preserve the respect and reverence due to the Holy Eucharist and the powerful liturgical sacramental symbolism of the rites of the Mass.”

Baptisms, weddings and funerals also may resume without individual permission, in keeping with social distancing rules. Non-liturgical gatherings on parish grounds should continue to be suspended, although pastors may grant special permission to groups of less than 10 people.

**Prayers** | “Let us continue to pray for the end of this pandemic, for those on the frontlines putting their lives on the line serving the needs of the sick, for those who have contracted this virus and for those who have lost their lives from it,” Bishop Gruss said.

“As we gather back for the celebration of the Eucharist, we must take every precaution, be patient with one another, and continue to make sacrifices for the greater good of all.

“In the meantime, we continue to live the joy of the Resurrection. As I wrote in my Easter letter, the resurrection is not just a happy ending to a story. It is the promise of love which helps us pass this difficult road. This comforts us and gives us strength.”
